Dedicated to promoting success in the ADvantage Program

With a record number of Oklahomans without power, staying warm and finding meals has become the number one priority.

We've seen amazing efforts on the part of providers to meet the needs of ADvantage Members who are living without electricity.

Unfortunately, this weekend's expected snowfall will require the need for continued efforts.

STORM WATCH ISSUED FOR FRIDAY AND SATURDAY

This weekend circumstances could worsen for some ADvantage Members. The National Weather Service has issued a Winter Storm Watch in effect from Friday evening through Saturday morning for the following counties:

WINTER STORM WATCH COUNTIES

Craig	Nowata	Rogers
Creek	Osage	Tulsa
Delaware	Ottawa	Washington
Mayes	Pawnee	

Significant icing is not expected, but snowfall amounts will range from 2 to 6 inches. The snow may cause additional problems and delay repair work on damaged power lines.

EMERGENCY FOOD STAMPS AVAILABLE FOR STORM VICTIMS

Emergency food stamps are now available from DHS for citizens caught in the ice storm. Anyone who is eligible for or currently receiving food stamps should contact DHS.

EMERGENCY SHELTERS

Shelters have opened throughout the state to provide warmth and food to those without electricity. If Members are not able to leave their homes, please contact available shelters to see if meals may be taken from the site and delivered to individual homes.

FEMA Blankets Available at LTCA

LTCA employees Lisa Reuter and Shawn Pope carry boxes of FEMA blankets.

BLANKETS AVAILABLE FOR MEMBERS CAUGHT IN STORM

The Federal Emergency Management Agency (FEMA) delivered 3,000 blankets to the Tulsa Fairground to assist with victims of the recent ice storm.

A limited number of those blankets are available through the LTCA of Tulsa. Contact LTCA at 918-583-3336 to access blankets for Members.
